- 01 PRICING STRATEGY**
Determining an appropriate price for a property is a vital aspect of successful marketing. Setting a price too high may not generate offers, whereas setting a price too low may attract low-quality offers. It is important to find a balance while still retaining control and decision-making authority.
- 02 PREPARATION FOR SHOWING**
Have the property ready for viewing. Everything from refreshing the interior with a new coat of paint to rearranging or staging furniture as necessary. A professional photography session, floor plan illustration, comprehensive listing description, and other marketing materials will be arranged.

- 03 LISTING DISTRIBUTION**
The property listing will be featured on Compass.com and shared with over 100 partner sites for the duration of the sales process.
- 04 MARKETING EFFORTS**
Philip will implement a comprehensive marketing plan, including paid advertising, visually appealing collateral, and eye-catching property signs if applicable.
- 05 CONNECTING WITH BUYERS**
Philip will utilize his professional network and the Compass platform to find suitable buyers and brokers. Regular open houses will be organized for both clients and brokers.

06 MARKET ASSESSMENT
Philip will evaluate the market response to the property within the first 30 days of the listing going live. Feedback from agents and buyers will be considered, and any necessary changes to the listing strategy will be discussed.

07 PROGRESS UPDATES
Philip will provide ongoing updates and performance metrics.

08 NEGOTIATING OFFERS
Philip will communicate with all interested parties, review offer terms, and discuss counter-offer options with the property owner. After a successful negotiation, your NYC sales attorney will present a sales contract to the buyer and their attorney. Terms will be agreed upon before you sign.

09 IN-CONTRACT PERIOD
Philip will work with your attorney to monitor all contingency periods and ensure that the buyer and their agent take all necessary steps.

10 CLOSING PROCESS
The property appraisal will take place, and the board will approve the buyer. The closing date will be set with the attorneys, and Philip will arrange the final walkthrough and handover of keys to the buyer.
